MISSION

ECEF is a non-profit, 501(c)(3), tax exempt charitable organization.

The Foundation will seek contributions to enhance the quality of education and improve student achievement by funding innovative programs, teacher-grant proposals and new or enhanced equipment, which are not part of the annual school budget.

GOAL

ECEF will raise and direct funds to programs and projects, which are not part of the annual budget but are needed most, to enrich the educational experience of students in the Englewood Cliffs School District.

To ensure long-term financial resources for grant proposals with merit, the ECEF will allocate 15 percent of every donation to its Endowment Fund.

COMMUNITY

The Foundation hopes to create an ECEF community that will unite people and businesses with similar passions and ideas in and around Englewood Cliffs through various planned community events.

As ECEF works to enhance academic excellence, we hope that you will join our community of partners in the coming weeks and months and become an active participant in enriching the life of every Englewood Cliffs student.
