

**HELP RAISE MONEY FOR  
ENGLEWOOD CLIFFS EDUCATION FOUNDATION  
at NO COST TO YOU!!**

Englewood Cliffs Education Foundation is teaming up with TD Bank's Affinity Program, and you can help raise money to support ECEF and all its programs, such as after school enrichment classes. TD Bank will donate its own money to the ECEF based on a percentage of the average balance of all tagged TD Bank Affinity Program accounts. Just stop by a TD Bank Branch and open an account (i.e. checking, savings, money market certificates of deposit and retirement accounts qualify) and request your account(s) balances be part of the TD Affinity Banking Program for the ECEF. Existing TD Bank customers also need to stop by your bank branch to have your TD accounts added to the Affinity Program.

The TD Bank Affinity Membership Program is designed to help the growth of non-profit organizations such as ECEF at **no cost** to its members or supporters.

**How It Works:**

TD Bank will make an annual donation to our organization based upon the average balance of all linked accounts. Eligible accounts include business and personal, Checking, Savings, Money Market, CD, and Retirement.

**What We Receive:**

Checking Accounts:

1/2 of 1% contribution based on the annual average balances of all participants.

Savings Accounts/CDs:

1/4 of 1% contribution based upon the annual average balances of all participants.

***All You Have To Do:***

**Ask your TD banking agent to link your accounts to the Englewood Cliffs Education Foundation through its Affinity Banking program, it's that simple! Please let them know our unique ECEF Affinity code: **A1924** to facilitate the process.**

Please note – Englewood Cliffs Education Foundation will not receive any information from TD Bank regarding your account balances or any other personal information. This program is run solely through TD Bank and is an exciting opportunity we hope you take part in to help us continue to grow in supporting the Englewood Cliffs Education Foundation!

**For new customers, print out this form and receive \$25 when you open a non-interest bearing checking account <http://www.tdbank.com/affinity/>**
